BEFORE I STEP OUT OF THE DOOR...

I SHOULD LEAVE A "PRESENT" FOR YUE HUI.

Since Xi Lu Qi appeared, there are a few things that I could not understand...

Af first, she used the title as Landy Gialos's past life wife to come here to save everyone,

But after that, the person who suspected Li Shui was her, when Li Shui left, she was on others' side....
It should've been that when Li Shui left, there's no need for her to take care of everyone's matters,
Also,

Everyone didn't suspect her, and yet, they trust her whole-heartedly...

Seems like I... know something already.

YOU'VE CAUGHT A COLD?

LATELY, THE WEATHER IS CHANGING TO MORE COLDER, YOU SHOULD WEAR MANY WARM CLOTHES ON.

I GOT IT!

That bandage...

was the one that Li Shui used to bind up her wound...

烦躁

AM I NOT GOOD ENOUGH?

WHAT?

LET ME LOVE YOU IN LI SHUI'S STEAD,

IS IT OKAY?

WHAT ARE YOU SAYING!

I'M HEADING BACK TO MY ROOM!

I SAID THE TRUTH!

How painful...
there's something in my head
keeps lingering...

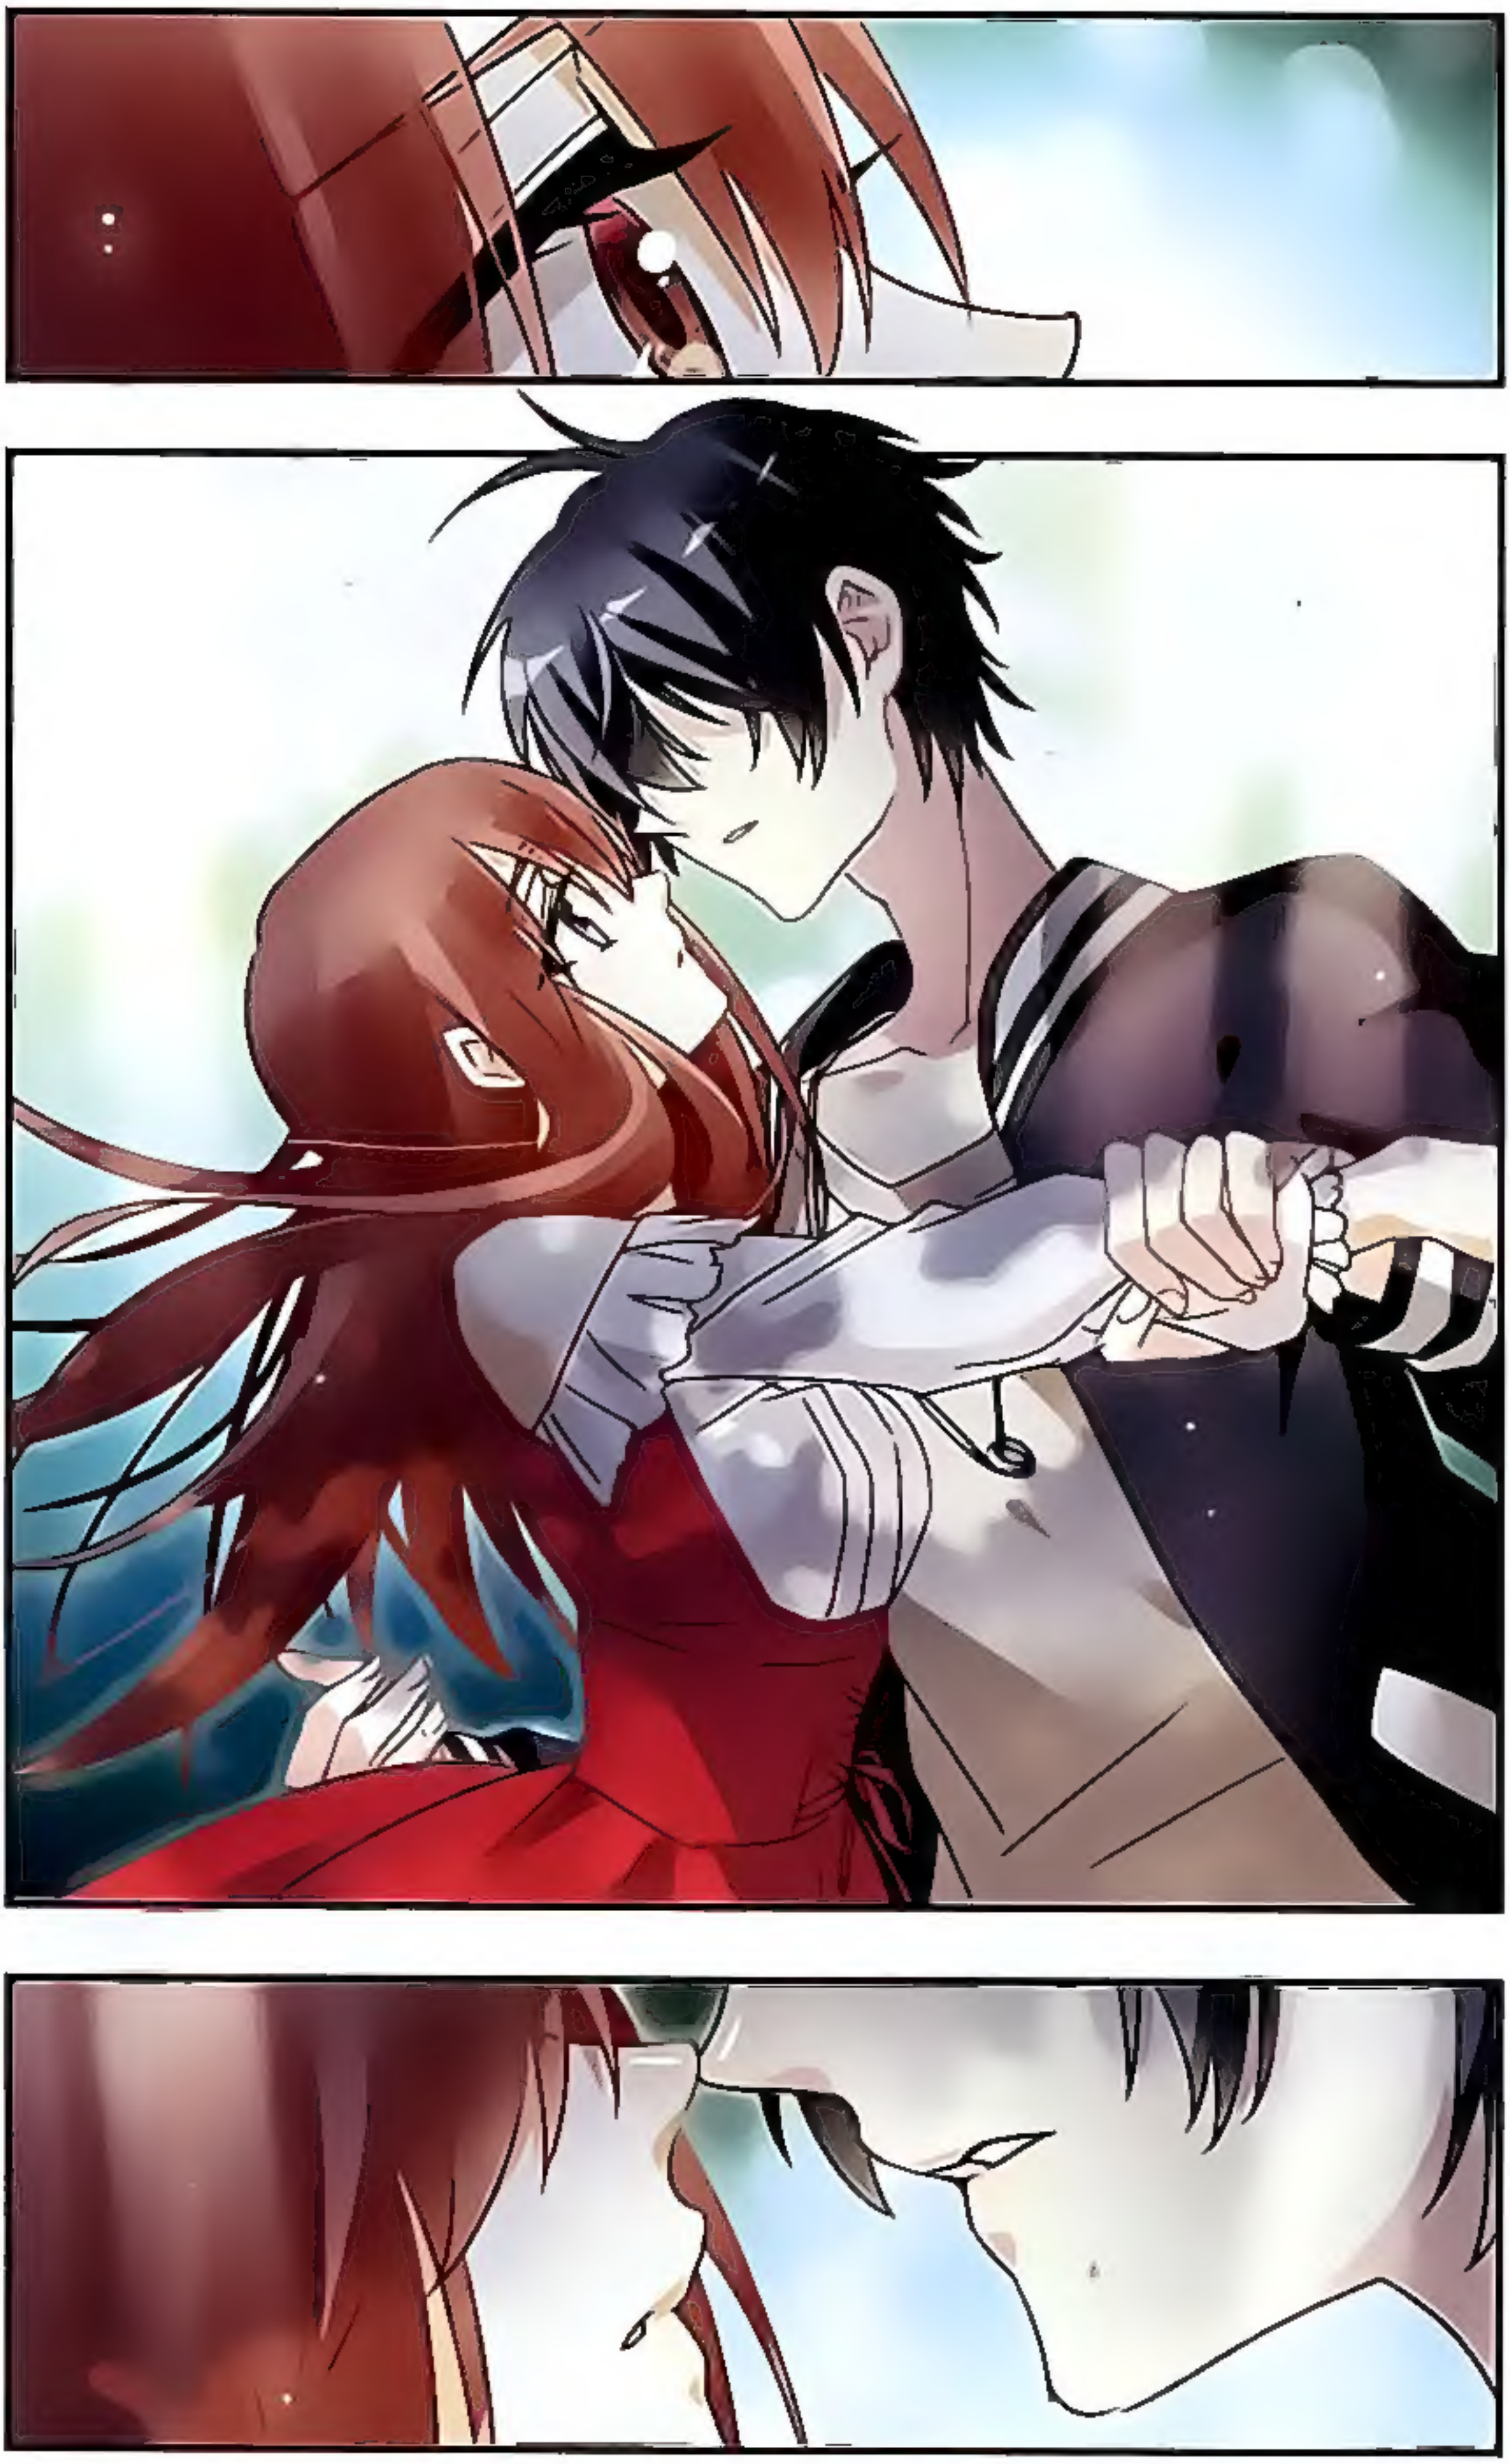
This feeling of sadness...

Is it because I can't touch her?

Is it because of the curse?

I like her so much...

to the extent of...



捂住

SORRY,
YUN QIAN,
BUT NO.

MY HEART
IS VERY SMALL...

LI SHUI HAS
TAKEN UP ALL OF IT.

IT CANNOT
CONTAIN ANY OTHER
PERSON...

YUN QIAN...
BECAUSE THIS PLACE OF YOURS IS STILL EMPTY,

THAT'S WHY IT'S LOOKING FOR SOMETHING TO FILL IN, BUT...

THE PERSON CAN COMPLETELY FILL UP THIS PLACE OF YUN QIAN,

IS NOT ME.

BAI LI YUN QIAN...

YOU ARE IN PAIN BECAUSE YOUR INNER DESIRE IS TOO STRONG,

IMMODERATELY CRAVING FOR FOOD AND LOVE....

ALL BECAUSE OF THE CURSE, IF IT GOES ON LIKE THIS, YOU WILL BECOME INSANE DUE TO YOUR ANGUISH...

YUE HUI?

LEADING TO...

NO POSSIBLE WAY TO OBTAIN IT, GIVE UP SUCH A THOUGHT.

EVERYTHING RELATED TO YUE HUI... FORGET ALL OF THEM.

THE CURSE OF TAURUS, IT'S TIME TO BE GONE...

THAT KNOT, IT'S DISAPPEARED...

THE SEVENTH CURSE OF THE TWELVE STARS...

FROM NOW ON, IS BROKEN...

SHA LAN, GET READY. IT'S ALMOST TIME TO GO ON THE STAGE.

OKAY, GOT IT.

Weird...Am I hallucinating?

The curse of the twelve stars, seems like it's not like before...

THIS WORLD...

IS FULL OF LIES AND DECEPTIONS...

THE THING CALLED THE TRUTH, HOW MANY PEOPLE ARE THERE PRECISELY TO BELIEVE IT?

THE THING CALLED "HOLY MAIDEN GODDESS OF THE MOON" HAS NEVER EXISTED BEFORE,

THE KEY FOR THE CURSE OF THE TWELVE STARS WILL SOON BE BROKEN,

BUT I CHOSE THE RIGHT TIME, CHOSE THE RIGHT PERSON TO USE, JUST A FEW MORE UPCOMING DAYS, ALL THE CURSES ARE GOING TO BE BROKEN!

HOW IRONIC...

THOUSAND YEARS AGO, YOUR GODDESS OF THE CRESCENT MOON, HAVE BEEN SLEEPING DEEPLY,

BUT WHY SHE AWAKENED NOW.

COME,

WE'RE GOING TO THE GOD SHRINE...

LET'S WELCOME THE GODDESS OF THE CRESCENT MOON- ARTEMIS HAS WOKEN UP.

AFTER THAT, I'LL...

TAKE AWAY HER POWERS!

AH, BUT...

轰隆隆

BEFORE THAT...

I WANT TO DEAL WITH ALL THESE BRATS.

OR ELSE, LATER, THE CURSES WILL BE BROKEN,

IT WOULD BE BOTHERSOME.
